Life, Light and Atmosphere May 12 – 16 9 am - 5 pm

An Intensive Immersion Painting Workshop for Artists

Tom and Peggy Root combine their knowledge and years of experience to teach an intensive immersion workshop to benefit all levels of artists from beginners just starting to art majors and art professionals wanting to refresh their inspiration or to shore up foundational skills. There are 6 lessons/focus points for the week, starting from simple exercises in color, light and form to painting a more complex figurative “environment.” Lessons will be directed for oil painting, but participants may work in the medium of their choice. The beautifully appointed **McKinney Center for the Arts** in Historic Jonesborough will be the setting for this week-long workshop and will provide plenty of space for indoor/outdoor painting and ample parking. Jonesborough has wonderful options for meals and lodging for out-of-town participants, as well as quaint shops, walking trails, history, and southern hospitality along with every convenience. This five-day workshop - 9 am is \$500 (model fee included). A \$ 250 deposit with registration will hold your spot in the workshop. April 12, 2014 **Gearing up for Outdoor Painting** Peggy Root, Instructor

At this workshop, our topic will be the practical details of painting out-of-doors, equipment and paint, working with variable light, weather, bugs and all the details as we get ready for warmer weather.
